

Broadband in Coeur d'Alene Public Schools

Seth Deniston | Director of Technology

Background

- **16 Total Schools**
 - **3 High Schools**
- **10,400 Total Students**
 - **3,150 in High School**

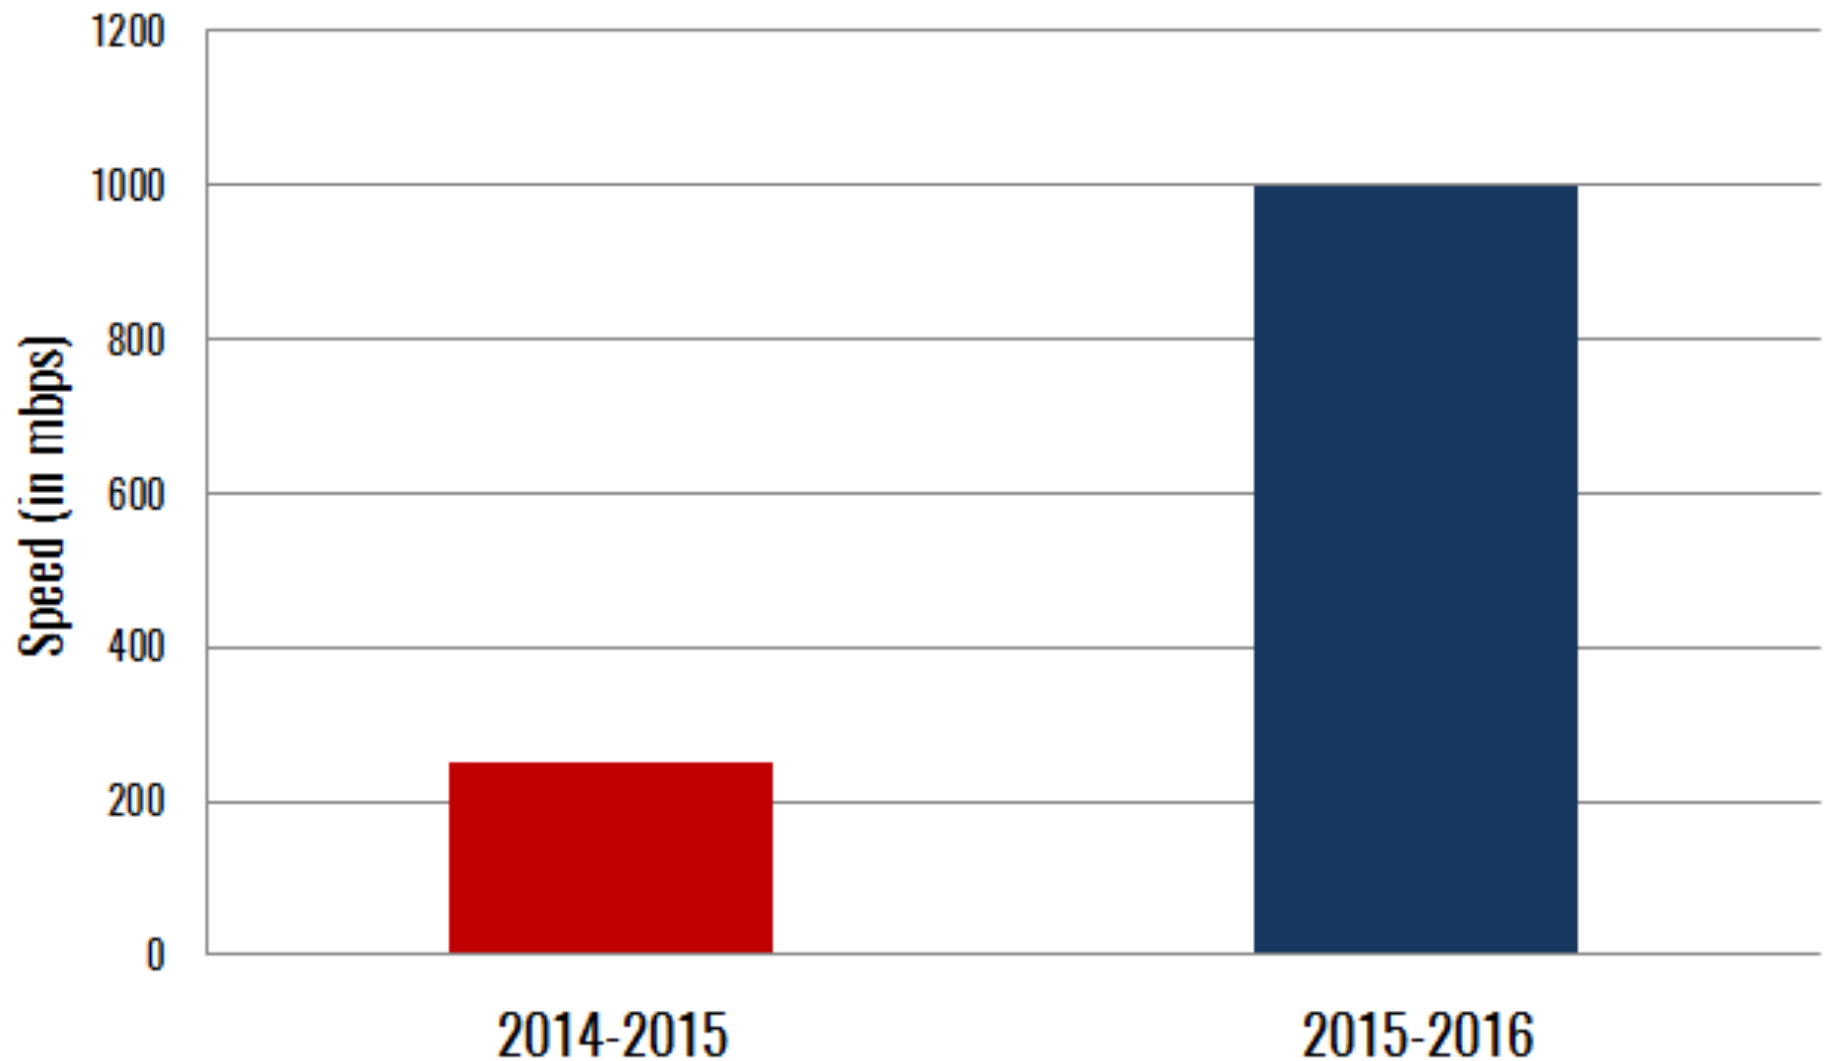

Background

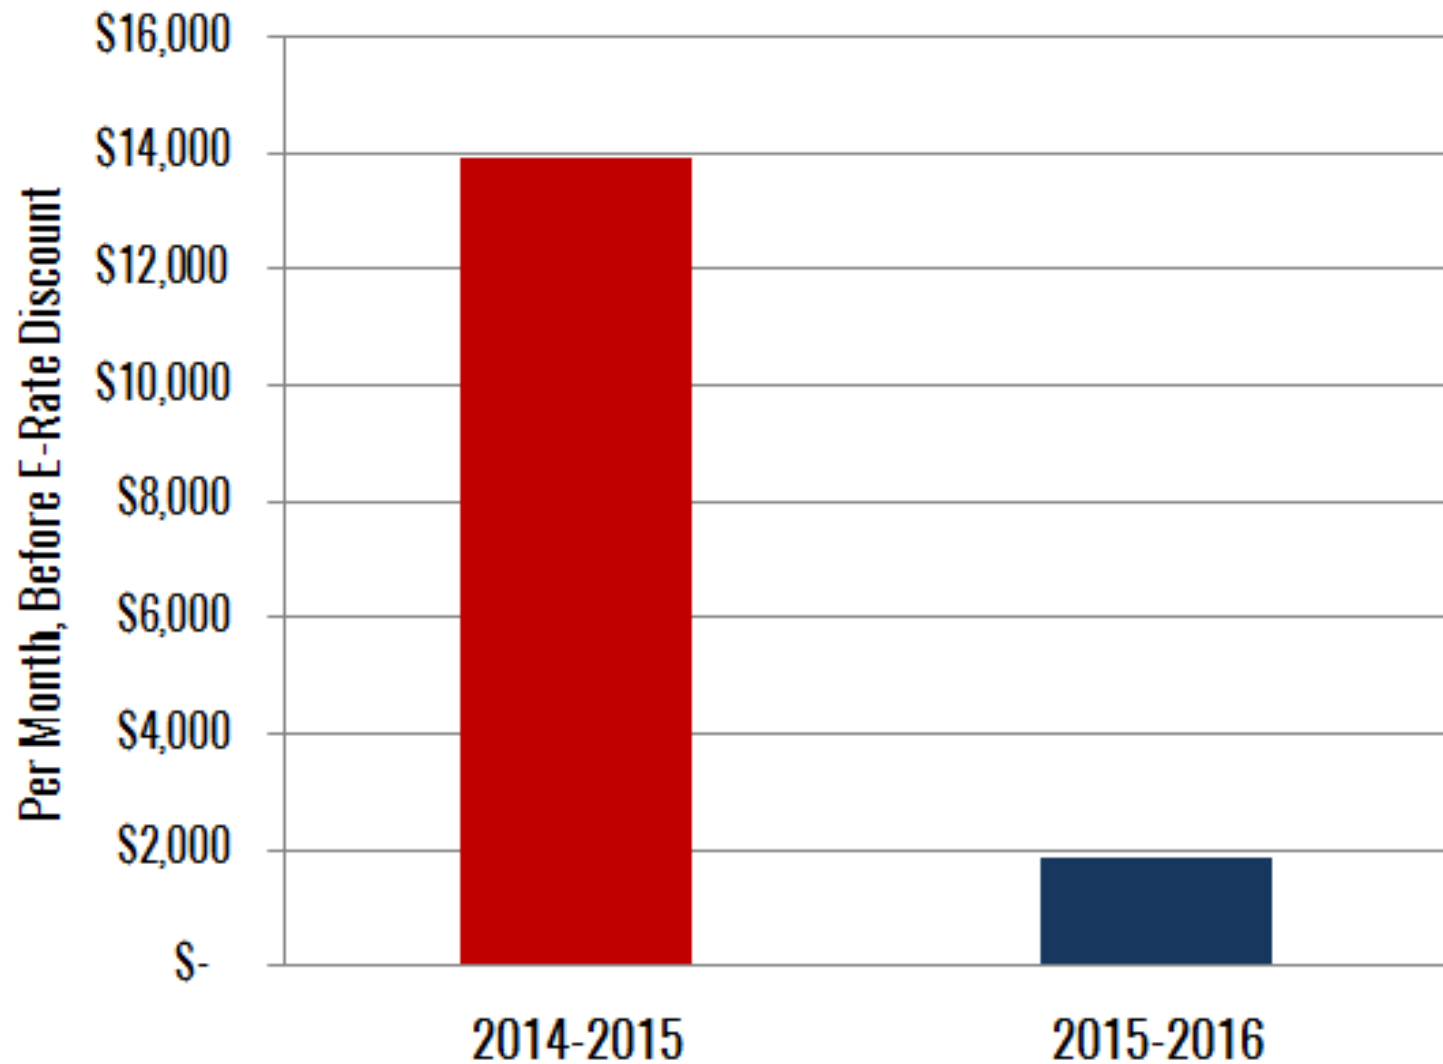

- 2 Internet providers in 2014-15
 - Ednetics (K-8, Other Facilities)
 - ENA/IEN (9-12)
- 1 Internet provider in 2015-16
 - Ednetics was lowest responder to RFB (of 4 providers who responded)

Bandwidth

Cost

Usage

- High Speed Broadband is critical to operations and instruction in our district
- Used daily for:
 - Attendance
 - Assessments
 - Student Email
 - Phones
 - Security
 - Lesson Presentation and Preparation
 - Student Participation in Activities
 - ...and More

Moving Forward

- We support the IETA proposal to create an agency to support districts
 - Fund Broadband K-12
 - Ability to Opt Out
 - Education and Educational Technology Staff must be key decision makers

Your Questions?

Thank You.
